## FREEDOM THEORY Letter

February 12, 1988

From: Franklin H. Ernst Jr., M.D., CRP member

P.O. Box 3009 Vallejo, CA 94590

DEAR FELLOW CALIFORNIA VOTING CONSTITUENT:

**WE ARE AT WAR IN THIS COUNTRY!** US SENATORS HOLLINGS AND KENNEDY MAKE WAR AGAINST THE REMNANTS OF THE FREE PRESS IN BOSTON AND NEW YORK (R MURDOCH). Our Congressmen (Dellums, Conyers, Crockett, Boxer, Wright, O'Neill, etc) make war against black South Africans with their US APARTHEID LAWS. Apartheid has been repealed in So Africa, but not in the USA. Invisible Bureaucrats make legalized war on freedom leaders Evan Meacham, Edwin Meese, Oliver North, Poindexter, Viguiere, Brendan Sullivan, etc. Nancy eats nails for breakfast and makes war at home (M Deaver). Howard Baker makes clandestine war against Judge Bork nomination. Our "elected" MAKE IT A CRIME to assist free neighbors in trouble. Our bureaucrats **force our free press wire services into the hands of oppression** and slavery, UPI – F. Bassom, Bankruptcy Law Judge, Texas, 1986. G Keller's Chevron makes war on free Angolans. Senators Dodd and Harkin make war on free Nicaraguans. Senator Kennedy makes war on free Ethiopians. Bill Moyers & Howard Gutin, Corp Public Broadcasting, make war on God (God and Politics series) and then get praise from **both** Gus Hall's People's Daily World AND George Keller's Chevron (Monthly) World. **Ah yes! It is indeed "One World."**

**NEED FOR A THEORY:** At a Conference, "Educating For Freedom" in Washington, DC, November, 1985, M. Ayau of Guatemala reported "The evidence that socialism doesn't work isn't enough. We need a theory."

In fact, **freedom and** its companion form of society, **liberty can be** theoretically viewed. Some of it is condensed for here. **Freedom is** the quality of **behavior of the individual as self-governing, self-restraining, self-regulating.** **Liberty** is the form of society (and its government) in which freedom can prevail. The **US Constitution** was crafted and drafted "... in order to ... secure the blessings of liberty to ourselves and our posterity .."

DIAGRAM OF SITUATIONAL PERSONALITY 3

## Freedom Theory Letter - February 12, 1988

**Each person is genetically endowed** at birth with the equipment to become "**a freestanding person.**" **Freedom** for the individual comes from the maturing ability to become **a self-disciplining person, one in charge of AND responsible for his own actions.** Freedom is in the ability to be a self-regulating, mutually-respecting unit in a society. Freedom survives when those in the society are both **SELF-GOVERNING AND MUTUALLY ACCOMODATING.**

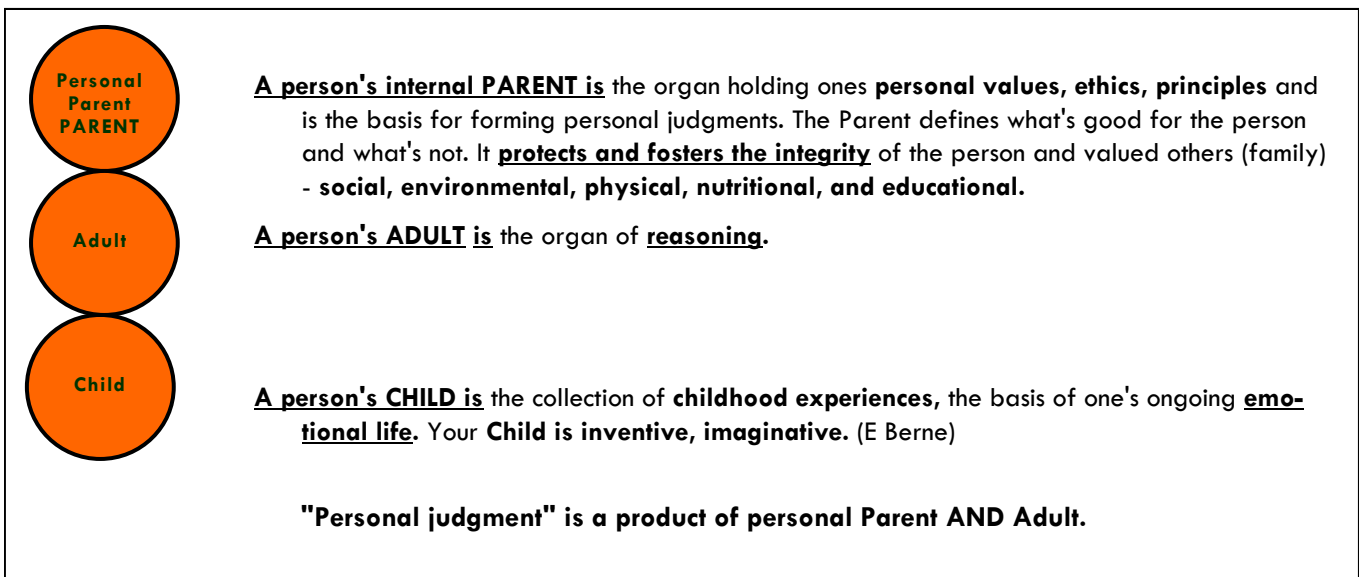

In a word, **FREEDOM AND LIBERTY prevail** as a result of certain behavioral qualities reliably continuing in the individual personalities of the free. Liberty prevails when the free don't take liberties with their freedoms.

**Freedom is in the state of mind AND in the set of behaviors of the person.** Behavior is accountable. Thus, it becomes useful to understand the behavior of the individual. From this, we also gain a picture of the **defects in the personalities of the oppressors** around us, in our ranks and in our families.

### **BEHAVIOR THEORY:**

1. Each person lives through one **childhood** and carries those **memories AND ways of behaving** with himself through his life. This is called the **Child** part of the person.
2. Each has the **ability to reason.** This is called the **Adult.**
3. Each person has had someone in the position of being a **parent, a guiding & protecting person,** to him during childhood. There is a picture of **this person(s) and his ways of behaving** that you take into yourself. This is called the **Parent.** (E Berne)

This Is **The Diagram of THE SELF-GOVERNING PERSONAL**

The **SELF-GOVERNING PERSON** uses his own personal Parent as the basis for his personal values, personal ethics, personal standards, personal principles.

In countless cities, both in the USA and in Nicaragua, the streets have been taken over by "the drugs and the thugs." In a few communities, those who are free have taken matters into their own hands and banded together to form "Neighborhood Watches." In Guatemala and in Vallejo these have been able to bring some of the local social predatory activity under a better state of control. The way to stay free is as a self-regulating person. Using common sense and decent judgment, take care of yourself and as many matters of personal (family) concern as you can. Find like-minded people to band with and mutually accommodate yourselves to each other. Remember too, that now, whenever you group with other freedom oriented people, whenever you are in a group larger than 2 you can almost **count on the fact** that at least **one of those with you will be a Judas**, a member of one the Invisible Bureaucracies.

This brings up THE NEXT POINT OF THEORY: One of the most characteristic elements of the human is the ability, the natural desire to organize information into some sort of useable design for better understanding of his surroundings. The organized social predators in our society would have us, the free, be ashamed of our God given ability to intuitively sort between the good guys and those whose intentions are less than honorable.

### **THE SITUATIONAL PERSONALITY**

**A Liberal** advocates **coercive "compassion" and dependency incentives**. Group consensus, social empowerment (of the few), decision by committee and projected (often racketeering) distrust of individual ability and intention are hallmarks of the Liberal. **The Liberals are guided by situationally oriented** (short term) values and ethics. **LIBERALS ARE ROUTINELY** led by those with a **"Situational Personality."** These **leaders** are the experts with **Deception And Intimidation**.

**A LIBERAL** ADVOCATES  
**COERCIVE**  
**"COMPASSION" AND**  
**DEPENDENCY**  
**INCENTIVES.** GROUP  
CONSENSUS, SOCIAL  
EMPOWERMENT (OF THE  
FEW), DECISION BY  
COMMITTEE AND  
PROJECTED (OFTEN  
RACKETEERING)  
DISTRUST OF  
INDIVIDUAL ABILITY AND  
INTENTION ARE  
HALLMARKS OF THE  
LIBERAL. **THE LIBERALS**  
**ARE GUIDED BY**  
**SITUATIONALLY**  
**ORIENTED** (SHORT  
TERM) VALUES AND  
ETHICS. **LIBERALS ARE**  
**ROUTINELY** LED BY  
THOSE WITH A  
**"SITUATIONAL**  
**PERSONALITY."** THESE  
**LEADERS** ARE THE  
EXPERTS WITH  
**DECEPTION AND**  
**INTIMIDATION.**

In the case of the **"Situational Personality"** the **personal PARENT** has been replaced by the **"Situational-Committee" PARENT** and its **"Situational" ethics, values & instructions**.

1. Most recent instructions & "peer review."
2. Next most recent.
3. Third most.

In the background, extensive "committee work" has gone into preparation of the unit, **deactivating personal value** after personal value and a regular testing program to make sure those personality elements are not coming back to life.

**Diagnostic of the Situational Personality:** **NO PERSONAL PARENT.**

## Freedom Theory Letter - February 12, 1988

The self-managing person enjoys the pleasures of "Being his own boss." The "SITUATIONALS" have developed terms of ridicule and derision for those with personal value AND pleasure in doing a good job in their (your) own work: eg workaholic, compulsive.

The **personal values, ethics and judgments** of individuals could be, and **are a problem to an "Invisible Bureaucracy"** intent on using its members to further its goal of **"One World" under the Bureaucracy's control**. The only **problem** with having **"World Peace Under A One World Government"** is **the individuals**.

The negatively oriented, those with **the socially predatory networks** have devised a number of effective tactics to discourage talk about social "conspiracy" networks. As a first line of their defense against discussions like this, they rely on jeering, sneering, leering, belittling, **ridiculing OR** getting others to **ignore** the person talking about these networks (see the diagram at the end of this letter). I recall the initial generous enthusiasm from a fellow Solano County Republican when he first read **"Cranston: A Communist in the US Senate?"** A patriot and an advocate of freedom he is. Some of his "influential" acquaintances whom I also know have clear stigmata of membership in our local **"parallel study group"** out of the (Council On Foreign Relations affiliated) **"San Francisco Committee on Foreign Relations."** When next seen he was ashamed, avoidant of his enthusiasm AND the subject. Does he think for himself? I am sure he does. But for him, fear of being shamed, ridiculed, has a controlling effect on **how he thinks** for himself. I do not know if that material jeopardized his possibly **"peer reviewed" marriage**.

For most of us, **being shamed and ridiculed (by peers)** can have a very **controlling effect**. As one part of thinking for ourselves, it is a good idea to **keep track**, with our Adult, **of those who jeer** us AND what they jeer AND what **their possible reasons** may be for trying to control our behavior with these tactics.

It is vanity for anyone to believe he is solely and completely independently in charge of his own thinking. Being thoughtful of the other person involves letting him influence your behavior and therefore, some of your thinking.

At times it gets to be a **fine line between accomodating** the other person **or compromising yourself**, your own beliefs, values and/or thinking. Too often, too many get caught in a squeeze with the admonition that you should "Give a person the benefit of the doubt (for his repeated anti-freedom activity)." This suggests **you should not trust your own ability to read character** in others.

THE PERSONAL  
VALUES, ETHICS AND  
JUDGMENTS OF  
INDIVIDUALS COULD  
BE, AND ARE A  
PROBLEM TO AN  
"INVISIBLE  
BUREAUCRACY"  
INTENT ON USING  
ITS MEMBERS TO  
FURTHER ITS GOAL  
OF "ONE WORLD"  
UNDER THE  
BUREAUCRACY'S  
CONTROL.

## INTENT, INCENTIVE, MOTIVATION AND VALUES

Intent, incentive, motivation and values of the situationally governed personality differ from those of the self-governed. The "intent" of a person in an action is controlled by a combination of "situational" incentives (eg candy offered for "free" by a "stranger", "peer pressure") **AND BY** the internally residing **personal** teachings, **personal values**, judgments & **personal ethics**.

**"Situational ethics"** and **"situational values"** are the opposite of personal ethics and values. With situational values, you cite someone else as the plausible authority. **Situational values** are the essence of disinformation AND **RATIONALIZATION**, a psychiatric defense mechanism. These have more to do with sounding plausible.

**Disinformation:** Twisting facts to distort reality. Regardless of the charming articulateness (con) of the disinformant, I don't know anyone whose mental health is improved by distorting reality.

## SOCIAL PREDATORS AND PSYCHOPATHS

We need **a generic term** for that breed of personality who, when he has Soviet affiliations, is called a "Communist." (The only real "Communists" are those who call themselves that.) There already is a generic term, perhaps not widely used, but amply descriptive. It comes from **Gorbachev's statement** to Zia ul-Haq about furnishing refuge and sanctuary to the fleeing Afghans:

**"I take a most negative view of that."**

From this, **the idiom**, colloquialism, **"negite"**, as a generic term is derived. Whether the altered personality unit is a member of the Communist Evil Empire, the mainland China homologue, the USA homologue of the "Council on Foreign Relations" or another, **THE NEGITE personality** units, recruited and now **staffing these "(invisible) bureaucracies"** ALL have **certain characteristic alterations** in their **personality**.

Just like "honest" criminals, so too, **negites are psychopaths, social predators, no conscience**. The "honest" criminal is driven by **internally** originating, **rebel Child impulses**. **The negite is externally controlled**. The predatory acts of the negite units are carried out under orders from others. The **negite's predatory activity** is performed by his **compliant adapted Child**.

## **"SITUATIONAL ETHICS" AND**

## **"SITUATIONAL VALUES" ARE THE**

OPPOSITE OF PERSONAL ETHICS AND VALUES. WITH SITUATIONAL VALUES, YOU CITE SOMEONE ELSE AS THE PLAUSIBLE AUTHORITY.

## **SITUATIONAL VALUES**

ARE THE ESSENCE OF DISINFORMATION AND **RATIONALIZATION**, A PSYCHIATRIC DEFENSE MECHANISM. THESE HAVE MORE TO DO WITH SOUNDING PLAUSIBLE.

## **DISINFORMATION:**

TWISTING FACTS TO DISTORT REALITY. REGARDLESS OF THE CHARMING ARTICULATENESS (CON) OF THE DISINFORMER, I DON'T KNOW ANYONE WHOSE MENTAL HEALTH IS IMPROVED BY DISTORTING REALITY.

## Freedom Theory Letter - February 12, 1988

### INVISIBLE BUREAUCRACY NECESSITY

Negites are trained to and do give up their personal values and ethics. This is A BUREAUCRACY NECESSITY.

These total bureaucracies require that certain activities be carried out which might go against the grain of personal values of one of their units **if these were to remain "untreated."** From the **"bureaucracy's" position**, these personal values would be **"disruptive"** in the unit's performance if they were not **"trained out"** and eradicated. Self-governing people will not do some things that **"The Body" requires** of its staff.

These Bureaucracies have **continuing "inservice training"** for all personnel. One aspect of this program is **"decathecting"** (deactivating) the individual's personal values, his "weaknesses" **AND KEEPING THEM DE-CATHECTED**. Some of this "education and training" is by operant conditioning (rewarding certain random behavior to reinforce its appearance again), eg in the ranks of the media. A lot of it is by conditional response ("conditioned reflex"): **"Reward AND Punishment"**, **"Bribery AND Blackmail."**

**The Bureaucracy goal** in all this is to have dependable, **malleably responsive units**. It needs units who will do what they are told when they are told. Prior to an **Invisible Bureaucracy** gaining **total control** over the populace, it is necessary for the units to be able to live among the members AND IN THE FAMILIES of the Society which the Bureaucracy intends to take over. Therefore, another aspect is to provide incentives to its units to become adept at **concealing their invalidation** of themselves from their friends and family; become skilled at **camouflaging the Bureaucracy intent (the hidden agenda)** and allegiance.

Any **"objectivity"**, **"for scientific purposes"**, by the **"situational personality"** is suspect. It is **unreliable** because of its accessibility, vulnerability to "peer pressure" (blackmail and threats) from fellow bureaucrats in the synchitium in which he lives (eg, Union Concerned Scientists).

For purposes of the total bureaucracy the **PERSONAL PARENT IS THE ENEMY**. Some negite groups are quite explicit about this anti-Parent program. They train in defined procedures called **"Parent Shrinkers."** These are to "soften up", charm, **disarm, discourage AND disconnect** (from realistic behavior) the personal Parent in the self-governing. Where can you see these "situational personalities" using their "Parent shrinkers?" Go to a **Bay Area City Council meeting**.

The Adult and Child of the negite unit, although presenting some definable aspects are little different from those of the self-governing person's. Suffice it to say, a lot of grown-up (Adult) computer time & "circuits" are taken up just keeping their (8 to 10 year old **Childhood based pretend programs** on-line for looking **"cool"** and running their **plausible justifications and justifiable plausibilities**: A Child running a grown-up's life.

ANY  
"OBJECTIVITY",  
"FOR SCIENTIFIC  
PURPOSES", BY THE  
"SITUATIONAL  
PERSONALITY" IS  
SUSPECT. IT IS  
UNRELIABLE  
BECAUSE OF ITS  
ACCESSIBILITY,  
VULNERABILITY TO  
"PEER PRESSURE"  
(BLACKMAIL AND  
THREATS) FROM  
FELLOW  
BUREAUCRATS IN  
THE SYNCHITIUM IN  
WHICH HE LIVES

**The Total Bureaucracies do not like** this Parent-Adult-Child diagram or any of the 6 or 7 other tested and standardized **diagrammatic ways of presenting the human condition and behavior**. Why not? Because **these improve the chances of the self-governing remaining self-governing**. The **ability to sort** and classify behavior **helps individuals to be better in charge of themselves AND** to keep track of what's coming at them.

### **REPUBLICAN CANDIDATES FOR PRESIDENT OF THE USA 1988-92:**

Nackey Loeb's description of the **Vice President?** By appearance and history {G. Bush 1} - a **Situational Personality**. **Dole?** Uninspiring, **physical problems**. Would he last out a four year term? **Renal defect AND you cannot shake his hand, test his grip**. Would we then be electing **Elizabeth Dole President** (case of W Wilson)? **Bush again as Vice President? Bush almost succeeded to the US Presidency once! CFR's Kissinger and D. Rockefeller required Reagan to take Bush** in 1980. This despite Reagan's promise to J. Coors. Dole required also?

**Deukmejian?** His behavior in instituting **California apartheid** against black South Africans? If there is one thing the blacks of Southern Africa are united on, 80% plus of them anyhow, it is their universal desire to have the **USA's apartheid laws** against South Africa repealed. Starvation, unemployment, social unrest, ALL OF IT AIMED AT BRINGING COMMUNISTS AND FORCES OF SLAVERY INTO YET ANOTHER COUNTRY. **The fact is that apartheid has been repealed in So Africa. Your newspapers don't tell you that!**

Deukmejian imposed California apartheid sanctions onto South Africa AND THEN he got elected by a 2 to one margin for his second term. If he had not done what the "The Boys From NY" wanted would he have been reelected? By a 2 to one margin? Maybe instead, George would have been impeached, like Evan Meacham? This **USA set of APARTHEID laws** were passed against the express statements of multitudes of So African black Christian leaders who attempted unsuccessfully to gain audience with U S Congressmen in Wash DC.

### **JACK KEMP: THOROUGHLY FAMILIAR WITH THE SCORE IN WASHINGTON, DC**

In February 1987 at the Sacramento Red Lyon Inn, Republican Party Convention, a delegate sitting near by confided that a poll taken that morning showed a 75% majority of the women delegates voting for Jack Kemp and 50% of the men. Not a peep of this on the floor OR from any speaker let alone our exalted new chairman. Kemp is a known quantity. He went to Central America this last summer with 3 of his daughters and one son. Son, Jeff, was busy getting in shape for the opening of the professional football season.

For those of you who have been turned away from Jack as a result of the Newsweek article earlier in 1987!, this: The originator of that material, Gary Allen apparently got severely sucked into a gigantic "Sting." 28 weeks after he published his article HE DIED. The time inter-

val is critically indicative of severe personal stress at its publication (remorse &/or guilt?), probably the clear personal picture to him of the "STING" that had been worked on him, that he fell for. I cannot vouch for this, BUT the data is clear. Additionally! The man who "so generously" took over for him during a preceding illness, arranging affairs for him, wrote his newsletter for him during an earlier period of illness? Ask Robert White about that man. Bob White great enthusiast, pro-freedom, the man who bought Arnhem, renamed it to Duckbook Communications, Inc. White got severely stung too, 1985. How many "FBI affidavits" and "personal affidavits" can you buy with a \$100 million and more at your discretionary disposal? How many actors was the master stinger, Gandorf (Paul Newman in the role) able to muster just for the pleasure of being there.

Jack Kemp, endorsed by M. Stanton Evans, Editor, Human Events. Jack Kemp, endorsed by Beverly LeHaye, Concerned Women for America. Jack Kemp, tested in the crucible, under fire, a demonstrated AND known quality and quantity, a leader. Could it be that CFR's massive campaign against Kemp is the lack of his marriage being "peer reviewed", his family not being "adequately" infiltrated.

**PAT ROBERTSON:** Is being a Christian leader to be considered a liability for leadership of our nation? Under fire in Houston last fall on TV, he did very well despite the grueling ordeal he was subjected to by the "Moderator." Seen him on "Crossfire?" He does well. He's even handled TV's mean machine, Sam Donaldson. Kemp and Robertson, self-governing personalities.

**COUNCIL ON FOREIGN RELATIONS:** No clinical evidence that members have self-governing personalities. Dole and Bush ("former" CFR) backed by the Council on Foreign Relations. More information on the CFR? Read **Murray Rothbard**. Heard of **Phoebe Courtney's** book "**Why Not Call It Treason?**"

Council on Foreign Relations: architect freedom's downfall in the USA if that Bureaucracy's plans come to pass. **CFR: members malleable, obedient, "cool", acting as one gigantic well coordinated (bureaucracy) body**.

**Council On Foreign Relations:** 80% plus **controlling of our TV** programming and content **NOW**. CFR intent on a **One World paper Currency! Noticed the absence of GOLD QUOTES** on radio and TV last 3 months (CFR orders?). **Council Foreign Relations - staffing our US State Dept** and directing its course more than **40 years**. CFR: **Howard Baker, James Baker, George Bush, George Shultz, Stephen Solarz**, the great "situationalist" **Chester Crocker, Elliott Abrams, Lawrence Tisch** (Chm CBS), **Dan Rafter, Paul Volcker, Alan Greenspan, Teddy Kennedy** (Boston Affiliate), **John C. Whitehead**. Council on Foreign Relations - about 2,250 members; controlling among themselves **a trillion dollars** in assets and funds including **Chairman of the Board**, big brother David's direction of his family's assets & family dominated and directed trusts, estimated **\$300 billion**. CFR: **Duane Orville Andreas, favorite of Gorbachev**, since Armand Hammer has gotten into his 90s. Have you read "**The Rockefeller File**", **Gary Allen?** "**Red Carpet**", **Joseph Finder?**

"Trilateral Commission?" Big Brother David's brainchild. Overlapping membership with CFR.

Heard about nephew **Harvey Rockefeller's caper in Australia**, setting up the still non-legal plastic identification card system and "National Computer Center" out of Canberra for almost total citizen surveillance? Didn't he persuade the Australians to bankroll his operation there for \$2 billion plus? In Perth, a **video** camera downtown, 885 feet up in the air! "For area **surveillance**?"

David tried to get a "little" free downtown real estate out of **Diane Feinstein's San Francisco**, until voters of SF turned it back in 1987.

If you are going to take over a gigantic enterprise like the USA, it has to be done smoothly and carefully. Rile and aim "rioting" recruits at the freedom fighters. Avoid criticism of present dictatorships backing your own goals. Blackball and name call wherever people are still free or coming back into freedom. Pinochet and freedom in Chile? Send your **Ambassador Barnes** and **Romanian-KGB "lovenest" wife** down there to Chile to agitate against freedom and democracy. **PINOCHET is doing A GOOD JOB FOR the CHILEANS AND against the Soviet supplied Communists there.** This is **CONTRARY TO CFR GOALS AND OBJECTIVES.**

When you plan to take over a gigantic enterprise like the USA, have the personnel of your Invisible Bureaucracy **staff both sides of any social divisions**, be in leadership on **both "sides of the aisle"**, ie keep **"the party of incumbency" in office.**

Current handling of AIDS is a classic of example of divide and conquer, of the **FOUR HANDED GAME "Let's-You-And-Him-Fight"** (see "Games People Play," by Berne). AIDS as political and civil rights vs AIDS a public health matter. 4 handed? **Two parties fighting, one on-site, coat-holding promoter and 4th - the out-of-sight "producer."**

If you can't get somebody down and make it look like he did it to himself, then get a horse to roll over him in front of an "audience." Some trick! If he still gets back up on his own, don't let him up, carry him off in a helicopter and out of sight.

**Or - stage a "spontaneous riot"** of 250 - 400 at midnight some Saturday to roll over him. Call out the City's entire police force, plus CHP, plus City riot squad. Then using "riot control measures", aim it in the direction of a known freedom fighter: 2/06/88, Vallejo City Park. Riot unreported, "non-news", by **local CFR controlled paper** which did have personnel on the scene. Mayor (our local in-residence "Boy from New York")? No comment when brought up at "Community Forum." **One City Council member** surprised to learn about it. **Vallejo City Council 6:1.**

CFR's **Baldrige** made sure Toshiba got the deep submarine silencing technology to sell to the Russians, but then must have balked at some further orders so he got his now famous last ride on that horse in Contra Costa County. The former chairman of the CFR's super-secret **"US-USSR Trade & Economic Council"**, **C. William Verity**, a man more skilled at technology transfer and perhaps better motivated than Baldrige, is now in the saddle at **Dept of Commerce.** With CFR's

omni-present John C. Whitehead, now Deputy Director of the State Department, "helping" in Congress and NATO hearings, Verity's technology transfers to the Soviets are going better & better, Insight 2/15/88. You really think Pentagon's Carlucci will object?

Recently another CFR star agent, Frank Carlucci, has re-arisen to the top of governmental visibility, first at NSC, now at the Pentagon. For those who think Casper Weinberger was a blessing, he has been in CFR just about as long as George Shultz. Casper was given "the good-guy", pro-US defense role in the CFR's casting, for us the public to see. He did **TALK** a lot for Strategic Defense Initiative **BUT** it is still on the shelf. **ACTIONS by Weinberger? NO SDI** in over 5 years since proposed by the President. This **despite good working equipment being ready to DEFEND US, NOW.**

One of the features of the **psychopath**, whether a "**Situational Personality**" OR an "**Anti-Social Personality**" is the discrepancy between his words AND (the results of) his deeds. Another feature of the con man psychopath is his charming, convincing "patter."

**Bill Casey**, CFR, built the road from Russia to Afghanistan the Russians use now, instrumental in getting the Soviets their truck factory that now builds carriers for the troops into Afghanistan. Most likely he changed his mind out of sight of the CFR in the mid 80s and just like a KGB defector readying to defect, covered his tracks well. **He did set up the "Covert of Coverts"** as Oliver North said last July. This Covert of Covert's was **the unmasking of Council On Foreign Relations, "The Elite Boy's Club of New York."**

I don't know what to make of **Jeane Kirkpatrick's** recent CFR membership. Maybe one of those innocuous bland, window dressings on their part? Or something more serious? She presents **good talks** to freedom fighters. I do recall that **former California US Senator** who got his reputation by "confronting" the "bad-mouthers" at San Francisco State about 25 years ago; **then as Senator {Hayakawa}** was the **67th vote to give away the Panama Canal**, 10 years ago. The staging at SF State 25 years ago was nothing short of completely and masterfully convincing, then. **Made his "conservative" name!**

**Best conservative estimate: 70% US Senate controlled by CFR AND at least 65% of the US House of Representatives.** This based on stories in eg, Insight, Human Events, Washington Inquirer, Independent American, Chattanooga, Richmond VA, New Hampshire papers, R. Murdoch's papers, **AND their own voting records.**

Then too, **Alex Haig**, member of CFR? Beats me! He has become richer by a million or so since his State Dept days. Last few days he sent his supporters over to Dole's side.

**Arnaud de Boorchgrave, CFR:** There is nothing inconsistent with his being **Editor of the Washington Times AND member in good standing of the Council on Foreign Relations.** As

ONE OF THE  
FEATURES OF THE  
**PSYCHOPATH,**  
WHETHER A  
**"SITUATIONAL  
PERSONALITY" OR  
AN "ANTI-SOCIAL  
PERSONALITY"** IS  
THE DISCREPANCY  
BETWEEN HIS  
WORDS AND (THE  
RESULTS OF) HIS  
DEEDS. ANOTHER  
FEATURE OF THE  
CON MAN  
PSYCHOPATH IS HIS

CONVINCING  
"PATTER."

above, the only way for a club intent on bringing down liberty in a nation like the USA, is to staff **both** the freedom forces **AND** the coercion forces. No question, **William F. Buckley, CFR, is precocious.**

**Katharine Graham, CFR**, owner of the anti-freedom, Washington Post, billions in personal assets. **A. Ochs Sulzberger and A. Hays Sulzberger, New York Times, members of CFR**, constant companion of their own "situational truths", and their own "situational freedom" of their own press. They (and their staff) decide what is "news" and what (to suppress because it) is "non-news." **Taking orders, giving orders?**

**El Salvador** a few years back? The populace there in their own national election, harassed and bleeding from Castro's Cuban and Ortega's Nicaraguan ambushes really thought they could select the leader of their own choice, D'Aubisson! NOT SO! A little name calling and we here in US went for it. D'Aubisson was "persona non grata" to CFR. The CFR controllers in our CFR run US State Dept. threw out the results of that election, called for another. It was all made to sound plausible to us here at home by the CFR's media in our homes and papers. We here in this country were fed the standard pabulum and ipecac (makes you throw up) about someone the CFR does not like in a far away place. Remember the Shah? Duarte in office since as CFR puppet. There has been the wholesale installation of CFR approved Salvadoran "situationals" into every conceivable office of that nation's bureaucracy, top to bottom.

Of our own elected representatives, it is a rare one who, when not a "**situational personality**" himself, does not have a "**peer reviewed**" marriage. This is true which ever gender the elected. **AND almost routinely** the elected have a severe case of **office "staff infection."** "Dr. X?"

One of the dangers increasingly apparent to those of us looking at the "**benefits**" of the CFR as they run our media and most of our elected, plus a lot of our judiciary, IS THE DANGER of them being able to manufacture a set of real crises for the country, eg at the same time: Some major strikes, bank failures, banning private guns **AND** private gold, perhaps a few "cooperative" Soviet missiles thrown in for good measure, breakdown of private telephone system **AND** CFR TV blaring on its networks, the "inescapable doom" if we don't "**compromise a little**" and give up "**a few of**" our freedoms. Then "naturally", a big cry for a "Constitutional Convention to take care of **your safety AND protect you**" (a standard protection racket line). The Russians ARE NOT THE PRINCIPLE THREAT TO US.

What was the **US Senate vote on the anti-US citizen Genocide Treaty, two years ago?** About 82 for it in our Senate. The Genocide Treaty? All it does is to insure **the removal of a segment of the U S citizen's personal Constitutional protections** by the courts of **our land**. It places certain matters, like certain kinds of name calling and perhaps some individual assaults out of the jurisdiction of US Courts and US Constitutional law, and instead places these before the World Court. **Nothing in that treaty requires a nation be held accountable for its crimes against a race.** Nothing in that treaty outlaws the genocide by the Soviet Government against the Afghanistan people, or in Ethiopia or ....

ONE OF THE  
DANGERS  
INCREASINGLY  
APPARENT TO THOSE  
OF US LOOKING AT  
THE "**BENEFITS**" OF  
THE CFR AS THEY  
RUN OUR MEDIA  
AND MOST OF OUR  
ELECTED, PLUS A LOT  
OF OUR JUDICIARY,  
IS THE DANGER OF  
THEM BEING ABLE  
TO MANUFACTURE A  
SET OF REAL CRISES  
FOR THE COUNTRY

Freedom Theory Letter - February 12, 1988

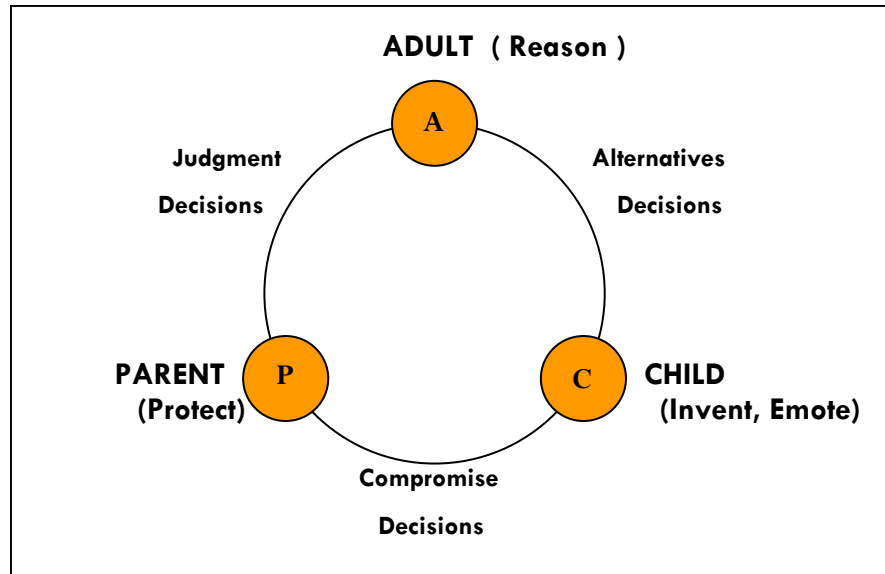

THE PURPOSE OF ANY BUREAUCRACY IS FIRST TO PERPETUATE ITSELF, SECOND TO CONTROL AND REGULATE SOME ASPECT OF HUMAN BEHAVIOR. THE TOTAL BUREAUCRACY AIMS TO TOTALLY REGULATE THE BEHAVIOR OF THOSE UNDER ITS CONTROL, EG CHINA - THE BLOCK WARDEN IN CHARGE OF FEMALE REPRODUCTIVE BEHAVIOR, IE MONTHLY MENSTRUATION CHECK-UPS.

Why identify the Genocide Treaty vote with the number of US Senators with suspicion of a Situational Personality? Each Senator knew what he was voting on. Each one got at least one letter and one call about the nature of that treaty before he voted on it. Those Senators who voted against were articulate AND did inform their colleagues. Taking orders on how to vote or not, each had the information about that treaty's adverse effect on the individual citizen's Constitutional right's. President signed it, true! Who's his closest adviser?

As **M. Rothbard** has said, **John Davidson Rockefeller** set out to gain total power and control around the globe over all petroleum reserves, refining, distribution and sales facilities. His progeny continue in the same goal, just deleting the conditions in the above sentence after "all."

The **purpose of any bureaucracy is FIRST to perpetuate itself, SECOND** to control and regulate some aspect of human behavior. The total bureaucracy aims to totally regulate the behavior of those under its control, eg China - the block warden in charge of female reproductive behavior, ie monthly menstruation check-ups.

**THE DECISIONS A PERSON MAKES:** Circling the three stacked circles (Rissman) enables us to classify and portray a person's **ways of making decisions**. Circling them **helps even better to graphically display the defects of the negite's Situational Personality.**

The decisions people make, can be sorted into three classes:

1. **Alternative type decisions** - locate and choose from among an assortment. This kind of decision involves **Adult AND Child**.
2. **Compromise decisions** - give and take, give a little and gain a little. These involve use of ones **Parent AND Child**.
3. **Judgment decisions** - deciding on a course of action that will have effects upon the future health, welfare and safety of self and/or others, ie involving protection of the integrity of someone. These are made by using ones **Parent AND Adult**.

**Personal judgment** involves making decisions affecting present AND future events/circumstances. Quality **judgment decisions require both** the accumulation of a body of **experience/learning** (Adult) **AND** keeping one's own stable set of reliable and tested **personal values by which to calibrate** the future effects of the decision on self and/or others.

**Ask a negite for a decision involving personal judgment.** Quite often, especially if not pre-rehearsed, he will beg off for the time being (until he can get back to his committee for a decision/backing).

### **"SITUATIONAL JUDGMENTS"**

Having had **the more stabilized and fixed reference points for behavior and conduct** (personal values and ethics) removed from their individual personalities in order to accommodate their Invisible Bureaucracy, they {negates/termite} are unable to generate viable judgment decisions. **Absence of personal Parent values in the Situational Personality** leads to the handicap in making judgment decisions.

**ILLUSTRATION:** Summer 1987 on Crossfire at **Robert Novak's comment to Robert McNamara** that the Mutually Assured Destruction doctrine **"Shows poor judgment"**, CFR's McNamara came unglued. His Childhood based impotent rage showed fully. He did not have the personal judgment available to back off. His **Child was exposed**, unprotected by anything except naked rage, ie **MAD in action!**

As a **substitute for judgment**, NEGITES try to compensate, using alternatives style thinking, first **"Brainstorming"** for a range of alternatives, then again using "alternatives", cutting up each brainstormed alternative for liabilities, concluding with testing the surviving alternatives in committee mock-up dress rehearsals.

AS A **SUBSTITUTE**  
**FOR JUDGMENT,**  
NEGITES / TERMITES  
TRY TO  
COMPENSATE, USING  
ALTERNATIVES STYLE  
THINKING, FIRST  
**"BRAINSTORMING"**  
FOR A RANGE OF  
ALTERNATIVES, THEN  
AGAIN USING  
"ALTERNATIVES",  
CUTTING UP EACH  
BRAINSTORMED  
ALTERNATIVE FOR  
LIABILITIES,  
CONCLUDING WITH  
TESTING THE  
SURVIVING  
ALTERNATIVES IN  
COMMITTEE MOCK-  
UP DRESS  
REHEARSALS.

### SITUATIONAL PERSONALITY COMPROMISES

Another spin off to understanding the Situational Personality by circling the stacked circles, is that now we can see that the **Compromises they make**, are not real compromises. **Again**, having **no personal Parent**, their **"Compromises" are still alternatives**, only in another shading. Once a treaty or agreement is signed it is then time to reopen negotiations. This is how the Soviets do it. This is how that "master of compromise", Howard Baker does it.

Without **personal values and ethics** there is no personal commitment for any negite to stay with the intent of any word he gave, abide by any treaty (contract) he signed. For the Situational Personality, "keeping his word (or not)" is another set of alternatives to choose from AND will depend solely on considerations of alternatives by the bureaucracy in which the unit is a member. This helps to account for the Soviet respect for a strong America, the wisdom of "Peace Through Strength."

### THE NEWS or "THE NEWS": INFORMATION or DISINFORMATION

A well informed public almost routinely makes good voting decisions. In these days of disinformative propaganda by 90% of our print media and 95% by our electronic media, **the CFR aim** is to rouse the masses into injudicious actions not in keeping with keeping our liberties and freedoms. Electronic media entertains our populace. **The Child** is the one in us entertained by the clowns & stories, the audio-visual. Many of these entertainments, as a steady diet, contain threads to promote long term, **Childhood-based** resentments and riotous emotions and actions, **instead of reasoned, Adult-based**, judicious, **"common sense" behavior** and voting.

### THE PRINCIPLE "SOVIET THREAT" TO THE USA COMES FROM OUR CONTROLLED (CFR) TELEVISION. HEARD ABOUT THE CFR's PRIVATE CLUB IN MOSCOW?

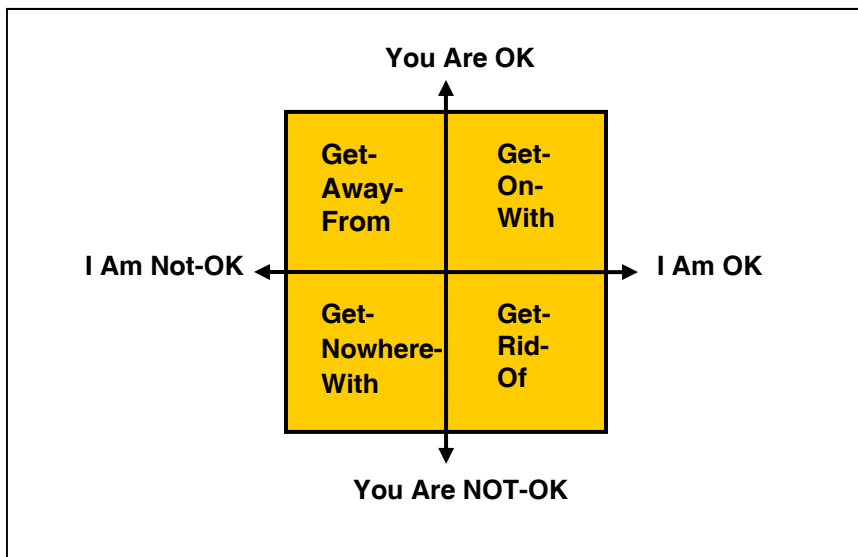

ANOTHER SPIN OFF  
TO UNDERSTANDING  
THE SITUATIONAL  
PERSONALITY BY  
CIRCLING THE  
STACKED CIRCLES, IS  
THAT NOW WE CAN  
SEE THAT THE  
**COMPROMISES  
THEY MAKE**, ARE  
NOT REAL  
COMPROMISES.  
**AGAIN**, HAVING **NO  
PERSONAL PARENT**,  
THEIR  
**"COMPROMISES"  
ARE STILL  
ALTERNATIVES**,  
ONLY IN ANOTHER  
SHADING.

**"MUTUAL ACCOMODATION" in outline:**

**"The OK Corral: The Grid For What's Happening!"**

This shows the four major classes of event outcomes; from which you may be able to choose for events coming your way in life: **Get-On-With**, **Get-Rid-Of**, **Get-Away-From**, and **Get-Nowhere-With**. Both the physical impossibility and common sense judgment say - You cannot get-on-with everyone, can't be friends with everyone.

The next diagram shows how these outcomes come about.

**"OK" is the VALUE holding weight for the event at hand.**

Some people you can be friends with (GOW), some you avoid (GAF), some you ignore (GNW), and some you dismiss (GRO).

**In brief, the above is an outline of some of the Theory of Freedom.** Not included are elements on how individuals and governments are related; social behavior racketeering; games people play; social modalities. Most of this material has been taught to High School students with personal benefits to the individual (and the school education program); each becoming more skilled at considerably and responsibly governing his own individual behavior around and with others and at home, too.
